**FIRST AMENDMENT TO INTERGOVERNMENTAL AGREEMENT
BETWEEN THE TOWN OF KEYSTONE AND SUMMIT COUNTY REGARDING
THE INCORPORATION OF KEYSTONE, COLORADO**

THIS FIRST AMENDMENT amends the INTERGOVERNMENTAL AGREEMENT ("Agreement") entered into on the 8th day of February, 2024, by and between the Town of Keystone, Colorado, a Colorado municipal corporation (the "Town") and the Board of County Commissioners of Summit County, Colorado, a political subdivision of the State of Colorado, (the "County"), regarding the incorporation of the Town and property located therein to which this Agreement is applicable ("Incorporated Area"). The Town and the County are collectively referred to herein as the "Parties."

RECITALS AND REPRESENTATIONS

WHEREAS, the Parties previously entered into the Agreement pursuant to which the County agreed to provide transition services to the Town for ninety days as stated in the Agreement and Exhibit A of the Agreement; and

WHEREAS, in accordance with Section 8 of the Agreement, the Parties desire to amend Sections 1 and 2 of the Agreement to extend the provision of certain services by the County beyond the ninety-day term.

NOW, THEREFORE, in consideration of the benefits and obligations of the Agreement and this FIRST AMENDMENT, the Parties mutually agree as follows:

1. Section 1 of the Agreement shall be amended to read as follows:

Section 1. TERM. The term of the Agreement shall be extended for each of the County services as provided herein, unless the Agreement is extended in whole or in part by the Parties as provided in Section 8 of the Agreement.

Notwithstanding the above, during the term of this Agreement, the Town may contract with other providers to provide services within any or all of the Incorporated Area prior to the termination of this Agreement and remove services from this Agreement. The Town agrees to provide thirty days' notice to the County of the termination of specific services under this Agreement, unless the Parties agree to a shorter period. In the event the Town terminates a service or services under this Agreement, the Parties agree to develop a transition plan which will govern the timing and process of transfer of responsibility for delivering service from the County to the Town or to another service provider. Issues to be addressed in the transition plan shall include, but not be limited to, determining the exact time at which the responsibility for providing services transfers from the County to the new service provider. The transition plan will be developed by the Town and County liaisons and will be ready for implementation prior to the date of termination.

2. Section 2 of the Agreement, and specifically paragraphs 2.1 and 2.2, shall be amended to read as follows:

Section 2. SERVICES, SUPPORT AND COMPENSATION. The County shall continue to perform certain existing services within the Town, as may be otherwise limited by this Agreement. The County shall continue to retain direct control of the manner, timing and performance of its continued services within the Town. Except as modified by the terms of this Agreement, it is the intention of the County to provide the specified services and support functions to the citizens of the Town utilizing the same prioritization criteria as the County had in place prior to the incorporation of the Town.

2.1. Retention of Fees, Costs, Fines, and Other Money. Except as modified by the terms of this Agreement, the County will continue to administer and enforce the existing laws, rules, regulations and ordinances currently applicable within the Town limits and as provided by the County, including but not limited to those specific regulatory systems identified below in bullets to this Section 2.1, and the County will continue to retain the fees, costs, fines, charges and other moneys collected pursuant to the applicable laws, rules ordinances and regulations.

- Engineering services for plan review associated with Building Permits and Development Applications
- Building services
- Short-Term Rental Licensing and Enforcement
- Administration of the County’s existing ordinances and regulations including but not limited to:
 - "Land Use and Development Code” related to the provision of Engineering Services and Building Services

The Engineering Department will not be responsible for assisting Town staff with development of Engineering codes and regulations.
- b. **Building Services.** The County agrees to provide Building Services to the Town for building and development matters within the Town of Keystone through December 31, 2024. The Building Services provided by the County will include tasks such as intake, processing, plan review, and inspections. Because the Town of Keystone is providing Planning and Zoning Services, the Town of Keystone will perform plan review related to evaluation of compliance with the Town’s Land Use and Development Code. The County agrees to pay to the Town of Keystone ten percent (10%) of the Plan Review Fees collected by the County for the Town’s performance of the plan review described in this paragraph. The County agrees to pay to the Town its share on the 30th day of the month for the fees collected the previous month. The Parties have an option to negotiate an

intergovernmental agreement for this provision of building inspection services.

- c. **Short-Term Rental Licensing.** The County agrees to continue providing services related to the administration and enforcement of Short-Term Rental Licenses through September 30, 2024. Beginning October 1, 2024, the Town will begin the administration and enforcement of a short-term rental regulation and licensing program in the Town of Keystone. The County agrees to transfer to the Town by May 15, 2024, any documentation of applications, renewals, and correspondence related to short-term rental licenses issued in the Town of Keystone prior to September 30, 2024.

- d. **Housing Services.**
 - (1) The County is the beneficiary of covenants and deed restrictions for affordable housing in the Town of Keystone as well as employee housing associated with and credited to Keystone Ski Resort via the Keystone PUD ("Keystone Ski Resort Employee Housing"). The County contracts with the Summit Combined Housing Authority ("SCHA") to manage the initial enforcement of deed restrictions as well as for qualifying applicants for deed restricted housing in the unincorporated County.
 - (2) Until such time that the Town becomes a member of the SCHA and a further agreement is reached regarding the affordable housing units within the Town that are not associated with Keystone Ski Resort Employee Housing, the County will continue to manage and ensure compliance with all workforce housing covenants and deed restrictions not associated with Keystone Ski Resort Employee Housing.
 - (3) The Parties agree the Town will be responsible for the enforcement of the Keystone PUD and associated Keystone Ski Resort Employee housing for that property portion of the Keystone Resort Employee housing which lies within town

boundaries. The Summit County Planning Department will enforce the Keystone PUD and associated Keystone Resort Employee housing which lies outside town boundaries. The County and Town acknowledge that a formal agreement will need to be entered into as soon as reasonably practicable, that sets forth the responsibilities of each entity with regards to the Keystone PUD.

The Parties agree that Exhibit A shall have no effect as of May 9, 2024 at 12:01 a.m.

NO AMENDMENT TO SECTIONS 2.3-2.5 OF THE AGREEMENT.

3. All other terms and conditions of the Agreement shall remain in full force and effect unaffected by this FIRST AMENDMENT.

IN WITNESS WHEREOF, the Parties have executed this FIRST AMENDMENT to the Agreement on the date first written below which shall hereafter be deemed to be the effective date of the Agreement. By the signature of each representative below, each Party affirms that it has taken all necessary action to authorize said representative to execute this Agreement.

Section 8. SHERIFF AUTHORITY: During the term of this IGA, the Town shall delegate to the Sheriff as an independent contractor, the necessary rights, authorities and powers regarding law enforcement within the Town as inure to the Town as a matter of law, including without limitation the Town Charter, all applicable Town ordinances and the statutory grant of authority provided by C.R.S. § 31-15-401et seq. The Sheriff shall at no time be deemed an employee or official of the Town. Moreover, the Sheriff and such deputy sheriffs as are assigned to provide police services in the Town, and any other personnel employed by the Sheriff for the performance or provision of services under the terms of this IGA shall at all times be considered County Sheriff employees and not employees of the Town, and they shall not be entitled to any Town employment benefit, pension, civil services, unemployment compensation or other status or right relating to Town employees.

- c. All police equipment used within the Town pursuant to the terms hereof shall be insured by the owning party.

Section 14. LIMITATION OF LIABILITY: Excepting such specific obligations as related to indemnification defined in Section 13 and insurance defined in Section 12, each party hereto agrees to limit the scope of its liability as to each other party hereto under the terms and conditions of this agreement under all circumstances to the sum total of available insurance coverage. No special, incidental, consequential, or indirect damages, exemplary, or punitive damages or loss of any type or manner shall be allowed.

Section 15. THIRD PARTIES: This IGA does not and shall not be deemed to confer upon or grant to any third party any right to claim damages or to bring any lawsuit, action or other proceedings against either party because of any breach hereof; or because of any terms, covenants, agreements or conditions contained herein.

ASSIGNMENT: This IGA is deemed to be personal in nature, and neither party may assign, delegate, sublease, pledge, or otherwise transfer any rights, benefits or obligations under this IGA to any party without the prior written consent of the non-assigning party. This IGA shall be binding upon the respective parties hereto, and shall remain binding upon all successors or assigns of said parties.

Section 17. SEVERABILITY: All agreements and covenants contained herein are severable, and in the event that any such agreement or covenant is held invalid by a court of competent jurisdiction this IGA shall be interpreted as if such invalid agreement or covenant were not contained herein.

Section 18. APPROPRIATION: Notwithstanding anything to the contrary contained herein, the payment of all direct and indirect obligations hereunder, by either party, in fiscal years subsequent to the current year, are contingent upon funds for this IGA being duly appropriated and budgeted by such party. Each Party's fiscal year is currently the calendar year. This IGA is intended to be in compliance with the provisions of Article 25 of Title 30 of the Colorado Revised Statutes, and with the Local Government Budget Law (C.R.S. 29-1-101 et. seq.).

Section 19.
