Event Contact Name, Phone, and email:

Sarah Ryszkowski, 303-905-8928, sryszkowski@childrenscoloradofoundation.org

Event Date and Time

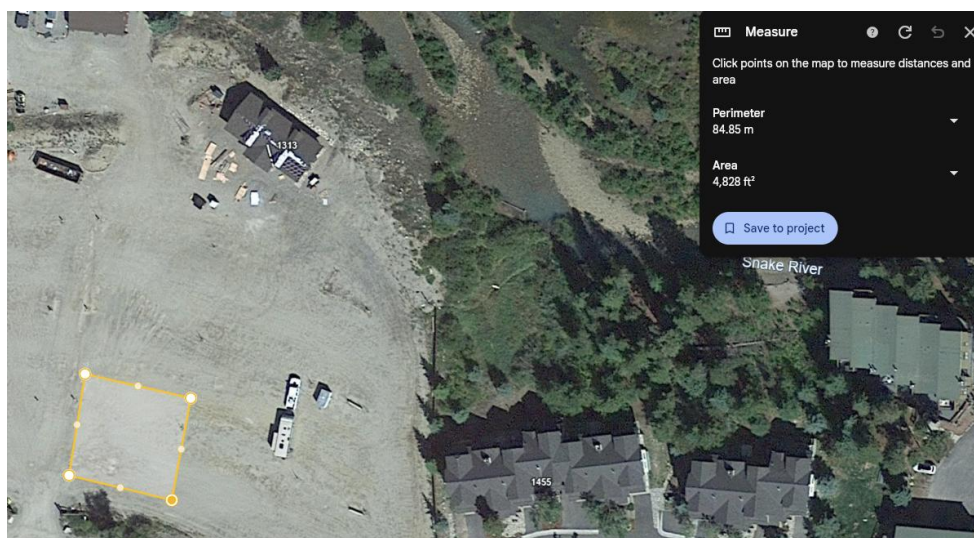

6:45 a.m.-12 p.m.

Event Description:

This will be the 36th Annual Courage Classic Bicycle Tour benefiting Children's Hospital Colorado. We will have a two-day event and plan to ride through the Town of Keystone on July 20th. We expect about 1,000+ riders and 200 volunteers, and plan to have three routes, beginning and ending in Copper Mountain. Along each route we will set up aid stations with food, water, medical and mechanical support. The Aid Station location we would like to request permits for in the Town of Keystone is Keystone Pika Lot (Keystone Resorts) on 7/20/25. Riders and volunteers will also access roads/rec paths in the Town of Keystone. We would like to drop off portable toilets, a trash dumpster and a recycling dumpster at each location as early as 7/18/25 and items will be removed by 6pm the day of the event. Route signage will be placed on 7/19/25 starting at 8am and be removed by end of day on 7/20/25.

Tented area square footage (Aid station square foot area to be used):

4,800 sq Ft.

Number of Event Participants (marshals, volunteers, setup crew etc. in Town of Keystone):

50

Number of Event / Festival Attendees / Participants Expected:

1000

Location / Venue Aid station, course route description:

Riders will come from Hwy 6 and turn right onto E. Keystone Rd. and follow the road until they reach the aid station at Pika Lot. From there, they will continue straight and turn left after Lot D where E. Keystone Rd turns into W Keystone Rd. They will continue on W. Keystone Rd until the rec path becomes available – across the road from Mountain House. Riders will stay on the rec path the rest of the way through Keystone.

Parking Areas to be used (if parking is provided for attendees):

Pika Lot for volunteers

Ticketed / or Free event:

Free for volunteers, riders have fundraising minimums.

Environmental Health; Toilets; Water; Trash provisions:
